## 2024 D-Day Experience Normandy

In June 2024 it is exactly 80 years ago that Allied troops landed on the beaches of Normandy. In every perspective an absolute unique, successful, historic and heroic operation that finally resulted in the end of WW2 in all of Europe and freedom of Nazi oppression!

BAIV's 80<sup>th</sup> Anniversary D-Day Experience is a once-in-a-lifetime opportunity, honoring the men who landed on the beaches on D-Day June 6th 1944 and fought fiercely to break the strong and stubborn German defenses. Walk the sands of the invasion beaches with us and be marveled by the formidable defending positions of the Atlantic Wall. Visit with us the drop zones of paratroopers and landing grounds of glider troops. Together we follow the paths of the American, British and Canadian forces and tell you about their battles, their setbacks and victories in small towns, along important causeways, around bridges and hills. To complete your experience, we drive you in historic WW2 army vehicles on all our tours.

## D-Day Experience Normandy

**June 6<sup>th</sup> at 06:30 Omaha Beach**

**We commemorate together the men who fell for our freedom**

Participating in BAIV's D-Day Experience Normandy eliminates for you the stress of planning logistics, accommodations, transportation, and scheduling. We handle all these aspects during your stay in Normandy (*travel to/from France not included*).

At historic ground on walking distance from Omaha Beach we create a military campsite, with sleeping quarters and a central canteen tent. Every participant will have a section with field bed, sleeping bag and a chair. Despite the historic set-up of the campsite, guests will be offered 21st century facilities, including electricity, showers, toilets and various other amenities, such as Wi-Fi. All included!

BAIV Events offers a well-structured itinerary with seven historic day tours, visiting key historical locations and the most important museums in the American, British and Canadian areas. Our expert guides provide you with valuable stories and insights. Their knowledge and expertise will enhance your understanding of the history and make your experience more meaningful.

During your stay in Normandy you connect with like-minded individuals, who share a common interest in the Normandy landings. With fellow participants from all over the world you can exchange thoughts, experiences, and stories and so built new friendships. And of course you have the companionship of our dedicated team.

We conclude the tour with a visit to the city of Bayeux, that on D-Day+ 1 undamaged was taken by British troops and enjoy the beautiful town center and French hospitality. Finally, that evening we organize a farewell party for our participants.

In short BAIV's D-Day Experience Normandy offers you the opportunity for a curated and enriching experience, that can deepen your connection to history, honor the sacrifices made during the D-Day landings, and at the same time make new friends.
